

Archean Chemical Industries Limited

Integrated Management System (IMS) Policy

We at **Archean Chemical Industries Limited** are continually striving to achieve growth and leading position in the industry by providing consistent quality products to our valued customers.

We are committed to continually improve the effectiveness of our quality, environmental, occupational health & safety performance in our processes through implementation of integrated management system.

We shall achieve this by:

- Ensuring compliance to all applicable legal and related requirements.
- Eliminate, minimize, and control adverse environmental impacts, health and safety risks by implementing appropriate operational controls at all levels and processes.
- Minimizing quality variations, optimising production cost by reducing wastages & rejections by enhancing technology.
- Creating and maintaining safe workplace and clean environment by conserving energy, preventing pollution, injury and ill health.
- Enhance awareness, skill and competence of our employees and stakeholders through effective communication & trainings to enable them to demonstrate their involvement in integrated management system compliance and improvement.
- Setting up Integrated Management System with periodic review of objectives and targets.

Effective Date:

01st April 2024

Jitendra Singh Bedi,
Unit Head,

Archean Chemical Industries Limited

Doc. No.: Annexure-II (ACIL-M-IMS-01), Rev. No.: 00, Rev. Date: --
